OUR KEYNOTE

Les Rose is the Corporate Vice President & President of L3 National Security Solutions group. He also serves as the co-chair of the GTSC Mentor Forum. L-3 NSS' six operating units deliver full-spectrum cyber operations, enterprise and mission information technology, intelligence operations support and operational infrastructure solutions.

Mr. Rose's career has spanned over 40 years of management and engineering. Upon completing a successful 20-year career as an officer with the U.S. Army Corps of Engineers and as an Army pilot, Mr. Rose joined Delta Research Corporation, an L-3 legacy company in 1990. He was promoted to president of Delta Research, and through a series of acquisitions and promotions became president of L-3 STRATIS one of the largest division of the global defense leader. Today Mr. Rose serves as president of both L-3 STRATIS and L-3 NSS. Mr. Rose holds a Bachelor of Science in Mechanical Engineering from the South Dakota School of Mines & Technology and a Master of Science in Civil Engineering from the University of Michigan.

The Mentor Awards

5:30pm – 8:30 pm
Arlington, VA

GTSC and *Government Contracting Weekly* have partnered to recognize exceptional mentors in the government contracting community. The Mentor Awards highlight the tremendous people and companies working collaboratively to provide the latest innovation, professionalism and expertise. The awards program recognizes and salutes government contractors for their leadership and concrete actions in assisting small government contracting firms through mentoring, training, inspiration, teaming and
